Objective:

Contribute my unique blend of creative and technical skills to an interesting opportunity in an entrepreneurial environment

Freelance Front-End Developer

Independent

July 2014 - Present

- Work with clients to implement new site features and resolve existing client-side issues

Web Designer/Developer

Links Technology Solutions
Schaumburg, Illinois

April 2012 - July 2014

- Responsible for handling JavaScript development for various projects which generally revolved around manipulating structured data to build page elements, adding UI interactivity, and handling asynchronous server interactions.
- Converted static visual design documents and wireframes to fully functional sites
- Handled occasional graphic design work which consisted primarily of asset manipulation/creation
- Made content updates to existing sites on numerous different platforms and technologies

QA Intern

Links Technology Solutions
Schaumburg, Illinois

February 2012 - April 2014

- Part-time, compensated position which was completed while still attending undergraduate classes
- Assisted in the regression and specification-based testing of "TariffShark: Hammerhead" - a software solution for creating, managing, and submitting FERC tariff documents

Online Content & Operations Technology Staffer

World Fantasy Games
Kenosha, Wisconsin

February 2009 - October 2010

- Provided ad-hoc graphic design and audio/video production
- Managed content on multiple fantasy sports related web sites
- Created requirements documentation and wireframes for the development of applications on the iOS mobile platform
- Created multiple user manuals and guides for use by new employees and other staff
- Assisted in managing multiple corporate social media identities

Staff Coach

Racine Area Soccer Association
Racine, Wisconsin

August 2010 - Present

- Have handled coaching and administrative responsibilities for competitive club teams at the U8, U13, U14, and U16 age levels
- Have provided goalkeeper specific training in team, small group, and individual settings for various ages across the club
- Currently hold a National "D" License (USSF), Goalkeeping Level I & II (NSCAA), and a Regional Diploma (NSCAA)

Communication Specialist

Best Buy Mobile

Racine, Wisconsin

February 2008 - July 2010

- Involved in solution based selling of cellular devices in a retail environment
- Provided technical support in both the setup and continued use of those cellular devices

Carthage College - Kenosha, Wisconsin
Bachelor of Arts in Communication - 2012
